Rock Star

yeah
oh-oh oh-oh oh-oh
yeah-hey yeah yeah

woo!

Sometimes I walk a little faster
In the school hallway
Just to get next to you
Some days I spend a little extra
Time in the morning
Just to impress you

Guess you dont notice
Guess you dont need to
Sad you're not seein'
what you're missin'
On the outside shyin' away
On the inside dyin' to say

Chorus:
I'm unusual
Not so typical
Way too smart to be waiting around
Tai chi practices
Snowboard champion
I could fix the flat on your car
I might even be a rockstar
I might even be a rockstar

Sometimes I wish when the phone rings
That it would be you
Sayin' let's hang out
Then you confess
That there's something special between us
Why don't we find out

But you don't even know me
Guess you don't need me
Why you're not seein' what you're missin'
On the outside shyin' away
On the inside dyin' to say

Chorus:

I'm unusual
Not so typical
Way too smart to be waiting around
Tai chi practices
Snowboard champion
I could fix the flat on your car
I might even be a rockstar (a rockstar)

Bridge:
If you only knew the real me
I might even be a rockstar
I'm telling you that we are meant to be
Now wouldn't it be nice if you could see
That I really am a rockstar
Yeah yeah

Yeah I really am a rockstar
Hey Hey Hey!

Woo!
Ha! A rockstar

I'm unusual
Not so typical
Way too smart to be waiting around
Tai chi practices
Snowboard champion
I could fix the flat on your car

Rockin it wherever we are
yeah yeah
Cuz I really am a rock star
Cuz I really am a rock star

I am a rockstar
Wao oh oh

Yeah

Kiss me sunlights

dare mo ga namida

Angel heart, so many heart,
kiss me sunlights (light...)
Fly to the dark, set soul free,
hold me moonshine! (moonlight...)
Until my rumbled hand lead
to the end of time, (end of night...)
find me in your eyes... (fly me... fly me... fly
me...)

Fly the di and faysay chido
You hold me, hold me...
Until I can slowly give you
moonshine, moonshine...

(interlude)
hoshi hara yoro ni
hitori... hitori...
ka ke buke, no yume

mitsume... mitsume...

mi nai hitomi ima
noni sora sa taka miru
tobi tai

Fantaria, tempesta, it`s my Odessey
Go higher, among the hearts
of around the rings (moonlight...)
Until I feel new dawn bloom
on the silent sea (silent sea...)
Sing for me your song (fly me...)

Angel heart, so many heart,
kiss me sunlights (light)
Fly to the dark, set soul free,
hold me moonshine! (moonlight...)
Until my rumbled hand lead
to the end of time, (end of night...)
find me in your eyes... (fly me... fly me... fly

Hall on mig nu

Att vår värld behöver ha
Mera kärlek varje dag
Det vet både jag och du
Låt oss börja här och nu
Så håll om mig
Släpp inte taget om mig
Är som förhäxad av dig
Och jag vill ha dig
Kom och håll om mig nu
Ja kom närmare ett slag
Hör du mina andetag?
Blodet rusar vilt och hett
Ja på många skilda sätt
Så kom och håll om mig
Släpp inte taget om mig
Är som förhäxad av dig
Och jag vill ha dig
Kom och håll om mig nu
Pulsen slår, jag ser din blick
Åhh, jag är i ett hjälplöst skick
Jag kan bli räddad först om du
Ger mun-mot-mun-metoden nu
Så håll om mig
Släpp inte taget om mig
Är som förhäxad av dig
Och jag vill ha dig
Kom och håll om mig nu
Ja kom och håll om mig
Släpp inte taget om mig
Är som förhäxad av dig

Och jag vill ha dig
Kom och håll om mig nu
Är förlorad och förförd
Jag är skakad och berörd
Hjärtat slår så hårt
Låta bli dig blir för svårt
Och jag tror du ser
Att jag faller mer och mer
Håll om mig
(Ja håll om mig)
(Släpp inte taget) om mig
Är som förhäxad av dig
Och jag vill ha dig
Kom och håll om mig nu
Ja kom och håll om mig
Släpp inte taget om mig
Är som förhäxad av dig
Och jag vill ha dig
Kom och håll om mig nu
(Ooohh, ooohh)
Wouh, kom och håll om mig
(Ooohh, ooohh)
Släpp inte taget om mig
Och jag vill ha dig
Kom och håll om mig nu
